

GABLESIGNS VITALIZES ANNAPOLIS TOWN CENTER

FOR IMMEDIATE RELEASE

ANNAPOLIS (MAY 2009) - The newly-developed open air shopping center has been all the buzz ever since Owings Mills, Maryland-based Greenberg Gibbons Commercial Developing company purchased the Annapolis property on Parole Road. The \$500-million project includes over 40 retail and restaurants spaces as well as a luxury residential area. The town center includes a premium mix of retailers such as Target, Whole Foods, Bed Bath & Beyond, Charm City Run, Brooks Brothers and an assortment of restaurants including P.F. Changs, Real Seafood and The Chop House.

GableSigns' involvement in the finalization of this project included the fabrication of signs for three of Annapolis Town Center's featured venues - Smyth Jewelers, The Chop House and Paper Source. The Chop House, a Michigan-based steak and wine restaurant, called upon GableSigns to construct the entire sign project for its first ever Maryland location. Established in 1998, The Chop House (thechophouserestaurant.com) serves the finest in USDA prime beef, great meats, seafoods, classic sides and sinfully delicious desserts.

Also brand new to Maryland and working with GableSigns for the first time is Paper Source (paper-source.com), the premiere seller of fine, handmade papers from around the world. Smyth Jewelers (albertsmyth.com) returned to GableSigns to complete all of their second location's signage just as they did with their Timonium branch.

Since 1980, GableSigns has established itself as a nationally-recognized leader in the design, manufacturing and installation of sign projects throughout the United States and beyond. Our focus is providing and supporting customers with superior sign products and services that offer dynamic, reliable and often unique visual communication solutions.
