Dear Hayley,

I read your articles in the new Pasadena Voice (Boat Ramp issue and Great Local Getaways) and thought you did a great job!

Your father (one of our board members) had told me you would be writing for this publication and since I work with the media every day, I am always interested in new talent. Being fair and accurate are so important for any writer and it seems that you have these two skills already.

Even though the world of journalism is in flux these days, good writers are always in demand. I hope you are able to continue using this skill in Anne Arundel County and beyond. Please call me if I can be of help in your career.

Sincerely,

Alexis Henderson
